

Fox Management's Vision

Value Statement:

We are a service-oriented company of knowledgeable professionals focused on maintaining the highest standard of honesty, integrity and legal ethics.

Mission:

We personalize Fox Management around your specific needs and goals. Because of an ongoing commitment to excellence bolstered by continued education, professional expertise and real world experience, we are able to offer services of the highest caliber, meeting the needs of tenants and property owners alike.

Vision:

To flourish as an independent company that grows and becomes a valuable resource to our community. We will embrace change through communication, new technology and leadership in order to always stay a step above. We will always endeavor to provide effective, personalized service to owners, as well as tenants.

Fox Management, Inc. is a member of NARPM (*National Association of Residential Property Managers*) and RHAGP (*Rental Housing Association of Greater Portland*), which enables our company to bring our clients the most up-to-date industry trade secrets.
